It is understood and agreed that the converse of the above procedure shall apply at each step in the event of a Grievance between the Employer and an Employee.

10.2

In the event that the Grievance is not settled at Step No. 2 (above) the parties may mutually agree to refer the matter to mediation or the Union or the Employer may refer the Grievance to Arbitration as provided for in Article 11 of this Collective agreement

10.6

No grievance shall be considered in any step unless it has been properly carried through all previous steps of the grievance procedure required by this Collective Agreement save only that, if any step of the grievance procedure the Employer or the Union does not give it's answer within the allowed time limit, the grievance may be carried to the next step within the appropriate time, which will start to run from the expiration of the allotted time within which the answer should have been given. If the grievance is not processed within any of the time limits specified it shall be deemed to be abandoned.

10.7

It is understood and agreed however, that the appointees of the Parties to the Board of Arbitration may extend the time limit during which the selection of a Chair and third member of the said Board can be made for a further period of ten (10) working days without the consent of their nominators.

11.3

The Board shall determine its own procedure, but shall give full opportunity to all Parties to present evidence and make representations. The Board shall hear and determine the difference or allegation and shall issue a decision and, subject only to the provisions of this Collective Agreement, such decision shall be final and binding upon the Parties and upon any Employee affected by it. The decision of a majority is the decision of the Arbitration Board and if there is no majority, the decision of the Chair shall govern.

11.4

The Arbitration Board shall not have authority to alter or change any of the provisions of this Collective Agreement, or to substitute any new provisions in lieu thereof, or to give any decision contrary to the express intent or terms or conditions of this Collective Agreement, or in any way modify, add to or detract from any of the provisions of this Collective Agreement.

11.5

The Parties to this Collective Agreement shall pay the fees and disbursements of their respective appointees to a Board of Arbitration and shall share equally in the fees and disbursements of the

Compensation:

- (5) *Payment for costs of long distance telephone calls associated with on-call duty.*
- (6) *Regular mileage rates in accordance with Council Policy for travel in the employee's own vehicle when on a call out.*
- (7) *PHIs shall accumulate one day off for each full week of on-call duty. The accumulation shall be as per the following established parameters:*
 - a. *Must be taken as time off and cannot be paid out.*
 - b. *Must be taken off before the next on-call duty is worked. There will be some extenuating circumstances where the PHIs work back to back on-call or duties close together due to trading of duty time among inspectors. These situations will be worked out on an individual basis between the PHI and the Supervisor.*
 - c. *A mechanism to track the on-call duty and overtime hours for all PHIs will be developed by each Team where PHIs work.*
 - d. *The Program Assistant(s) in Environmental Health Team and the Program Assistant in Infectious Disease Team will keep the tracking system current.*
 - e. *All other hours accumulated for on-call/overtime worked are to be paid as per the collective agreement.*
 - f. *A mechanism will be required to notify the Human Resources Department to remove the forfeited hours from the overtime banks when forfeiture occurs.*

Re: Pagers and On-Call Protocol – Water and Wastewater AND Water and Wastewater Reorganization

Pagers and On-Call Protocol Water and Wastewater:

The following provisions shall be used for the purposes of "Emergency Call-Out", and shall be in place for the life of the Collective Agreement.

This Letter of Understanding pertains to the person carrying the pager who is on-call:

The following provisions apply to both the Systems Area On-Call and the Facilities Area On-Call.

- 1. There will be one pager to facilitate timely response for "Emergency Call-Out" for Systems and one pager to facilitate timely response for "Emergency Call-Out" for Facilities.*
- 2. Pager duty person will be required to carry and monitor the pager unit for a one (1) week interval (referred to as a duty week) which consists of covering all hours beyond regular working hours within the duty week. Extending from 4:00 p.m. Friday to 4:00 p.m. the following Friday, inclusive of any holidays which may fall within the duty week.*
- 3. Time worked in the determination of compensation for a service call shall be based on the time elapsed between leaving home and returning home. Should the duty person receive additional calls while on a paged service call, travelling time from home and returning home shall be compensated only once during such multiple calls.*

Compensation for Employees who reside outside of the boundaries of Norfolk County shall exclude travelling time between the employee's residence and the County boundary.

A pager duty person, when responding to a paged call, shall be paid either a minimum of four (4) hours at straight time or the applicable overtime rate as set out in Article 24.9 of the Collective Agreement for the time worked as determined under point 3 above, whichever is greater.

When a pager duty is transferred, the scheduled duty person will be compensated the entire amount payable for the duty week, except when the entire week has been transferred.

4. *Pager Duty and Weekend/Holiday Plant Rounds Schedule Conflicts:*

Conflicting schedule for plant rounds and pager duty are to be avoided whenever possible, however, recognizing that conflicts will be inevitable due to the cycle discrepancy of these two schedules, a person on plant rounds may also be on pager duty if the schedules happen to coincide. To keep the occurrence of this situation to a minimum, Pager Duty transfers to an operator already assigned weekend rounds shall be avoided, when possible.

5. *The Employer shall provide a County vehicle for the employee's use as per Policy regarding the use of all County vehicles. The Pager Duty person is to be assigned an equipped service vehicle for the Pager Service response during their pager duty week. The service vehicle is to be taken home at the end of the duty person's regular working shift, then to be returned to their reporting base at the start of their next regular working shift.*

6. *For purposes of this Letter of Understanding Article 24.7 (Equalization of Overtime) is waived.*

7. *If the nature of the call-out requires additional help, the Answering Service shall proceed with the established call-out protocol. The Pager duty person shall attend the job site and evaluate the need for assistance. If assistance is required the Pager duty person will contact the Answering Service and they shall proceed with the call out list.*

The Answering Service will call employees listed in the affected area twice, if insufficient response then they call employees in the other area once.

8. *Response Time:*

The Pager Duty person must coordinate all after hour activities during their duty week to facilitate not only response to paged service call, but also, a timely response. The Pager Duty person is expected to arrive at the service site within 60 minutes of the dispatched call.

9. *Assigned on-call duty may be freely exchanged with or given to another Employee provided that prior notice is given to the Water and Waste Water Supervisor or designate.*

10. *If an Employee works between 12:01 a.m. and 4:00 a.m. their morning reporting time shall be delayed, without loss of pay, an amount equivalent to the time worked beyond 12:01 a.m.*

11. *If an Employee is called out between 4:01 a.m., and is the employee's normal morning start time, the commencement of such call-out shall be considered the commencement of the*

workday. Such Employee shall be compensated at double time (2x) their regular rate of pay for two (2) hours in addition to their normal hourly rate for the (8) hours worked.

12. *On-call Employees shall be paid the premium of three hundred dollars (\$300.00) for the week he/she is on call, plus two (2) days off per pager duty week. The two days off shall be taken at a time approved by the Water and Wastewater Supervisor or designate.*

The days off can be accumulated, but must be used prior to the end of the calendar year. During the last month of the year, management shall pay out days earned to ensure earned days are compensated for in the respective calendar year.

13. *An additional twenty-five dollars (\$25.00) compensation shall be paid to the pager duty person for each Statutory Holiday during said duty week.*

14. *Duty week shall rotate amongst staff in the order signed up and shall be continuous.*

15. *All Water and Wastewater Employees who have passed probation shall participate in the On-Call Pager Protocol.*

16. *The Pager shall be carried only by staff who are certified, experienced operators and who have worked with the Employer in their respective area for at least one (1) year. The pager sign up is voluntary however the parties agree that at all times there shall be a minimum of five (5) certified, experienced operators who normally work in the county's water systems and facilities. Should the number of voluntary participants become less than five (5); the parties shall meet to determine a method of increasing the number of participants to the minimum level. Should the parties be unable to reach an agreement, the Employer shall appoint the required number of Employees.*

17. *Employees who are certified but were unable to meet the requirements for the first sign up list shall have the opportunity to sign up for the sub-list. The sub-list shall be used in the event that an Employee on the first list is unable to carry the pager for whatever reason and needs to cover his pager time. The Employee will attempt to switch with someone on the first list; if no one is available he/she may contact someone on the sub-list. If no one is available on either list to carry the pager in their respective areas, the employee may contact someone on the cross over list in the other area.*

18. *Plant Rounds:*

- a. *Effective April 1, 2007, the Union will provide the Employer with a minimum of five (5) Employees that normally work within the Facility Area to participate in Weekend and Statutory Holiday Water Treatment Plant Rounds. All Facility Area Employees will be eligible to participate in plant rounds contingent upon them being employed in their respective area for a period of at least one (1) year.*

- b. *The Parties met and established a plant rounds protocol for facility area employees similar to the Pager and On-Call Protocol Water and Wastewater. A Letter of Understanding titled Weekend Rounds Water Treatment Facilities, Water and Wastewater signed on February 27, 2007. Changes to such Letter of Understanding can be negotiated outside of the collective bargaining process and must be ratified by the Union members affected.*

- c. *The Parties agreed that the Employer will request volunteers to participate in plant rounds for the period up to and including the implementation date of this Letter of Understanding. In the event that there are no volunteers, the Employer will assign Employees on the basis of reverse seniority.*
19. *In recognition of the Employees ability to obtain and hold an operator's license one level higher than the current classification of the County's systems and facilities the Employer agrees to pay the Employee an out-of-schedule rate of \$0.50 per hour above their base hourly rate as determined by this Letter of Understanding. This out-of-schedule rate of \$0.50 will apply to only Employees in either of the two (2) following circumstances:*
- a) *Facilities-while the highest rated Norfolk County facility does not exceed a Class III, employees who hold a Class IV Water Treatment or Water Distribution Class III Operator's Licence will be eligible for the out-of-schedule rate as outlined about (\$0.50).*
- b) *Systems-while the highest rated Norfolk County system does not exceed a Class II, employees who hold either a Class III Water Distribution or Class III Waste Water collection operator's license will be eligible for the out-of-schedule rate as outlined above (\$0.50).*
- c) *NOTE: the out-of-schedule rate of \$0.50 will apply to only one license per work area, i.e. Systems or Facilities, the employee will be eligible to a maximum \$0.50.*
20. *Transfers between Systems and Facilities:*
- When an employee transfers between Systems and Facilities or vice versa, either on a temporary or permanent basis, will not be permitted to carry the previously assigned pager. The reassignment of the available pager duty weeks will be distributed to the operators on the volunteer list, if no one on the primary list accepts the additional weeks they will be offered to qualified, licensed and competent operators on the sub-list and if still not filled will be assigned to the least senior employee.*
21. *The Parties agree to meet and discuss any implementation issues that may arise due to this Letter of Understanding.*
22. *Operator in Charge (OIC) hours shall follow Ministry guidelines.*
23. *The Parties agree that this Letter of Understanding will form part of the Collective Agreement.*

JOINT JOB EVALUATION COMMITTEE

The Joint Job Evaluation Committee (J.J.E.C.) shall be comprised of:

- *4 representatives and two (2) alternates of C.U.P.E.*
- *4 representatives and two (2) alternates of the Employer*

A quorum for the J.J.E.C. meeting shall be eight members.

The position of Chairperson to the J.J.E.C. shall alternate between C.U.P.E. and the Employer.

The Secretary to the J.J.E.C. shall be supplied by the Employer.

Accurate minutes of the J.J.E.C. must be kept.

The decision of the J.J.E.C. is by consensus. All decisions made by the J.J.E.C. are final and binding. The J.J.E.C. shall provide rationale for their decisions.

If consensus cannot be reached, see Settlement of Disagreements.

It shall be the responsibility of the Chairperson to communicate the decision of the J.J.E.C. to the Human Resources Department who in turn advise the incumbent(s) and supervisor using the Job Evaluation Rating Sheet.

MAINTAINING THE JOB EVALUATION PROGRAM

- 1.1 *It is important that each Party maintain accurate job descriptions and job ratings on an ongoing basis. Failure to do so will serve to damage the integrity of the program. It is the intention of the Parties to periodically review jobs upon request.*
- 1.2 *It is understood and agreed by the Parties that during the re-evaluation process and/or review process, the ratings of all factors could be adjusted either upwards or downwards by the J.J.E.C.*
- 1.3 *Whenever the Employer changes the duties and responsibilities of a job or the incumbent(s)/Union feel that the duties and responsibilities of a job have been changed, or that the job description does not reflect the duties and responsibilities of the job, the following procedures shall be followed:*
 - (a) *The incumbent(s)/Union or the Supervisor/Employer may request a job evaluation review by completing and submitting a Request for Review Form.*
 - (b) *Upon receipt of a completed Request For Review Form, the Committee shall proceed to gather accurate, up-to-date information on the job. The gathering of information will involve the interviewing of incumbent(s) and/or Supervisor(s) and visits to the job site, if required.*
 - (c) *The Committee shall review the job data and determine any changes in the rating. A Job Evaluation Rating Sheet will be completed by the Committee, signed off and forwarded to the Human Resources Department. A representative from Human Resources will advise all relevant Parties of any changes, using the appropriate form.*

The rating of the job shall determine the pay grade for the job
 - (d) *If the job is rated at a pay grade higher than the existing pay grade, the incumbent's rate of pay shall be adjusted retroactive to the date the Request For Review Form was initially submitted to Supervisor/ Human Resources Department/Union, or the date new duties commenced resulting in the upgrade. The incumbent(s) shall retain the same place on any increment grid (i.e. step-to-step).*
- 1.4 *Whenever the Employer wishes to establish a new job class, the following procedures shall apply:*
 - (a) *The Employer shall prepare a draft job description for the position.*
 - (b) *The Co-Chairs of the J.J.E.C. shall meet and establish a temporary pay grade for the job class based on the draft job description; or the J.J.E.C. Co-Chairs can agree upon a temporary rating.*
 - (c) *The job class shall be posted, under review and any person appointed to the job class shall be paid the temporary pay grade.*

- (d) *After six (6) months from the appointment of an incumbent to the job class, the incumbent(s) shall complete a Job Analysis Questionnaire and forward same to the J.J.E.C. The Committee shall evaluate and rate the job class based on the information submitted in the J.A.Q., as well as, interviewing the incumbent(s) and/or supervisor and visits to the job site, if required. The pay grade will be established based upon this rating.*

In the event the rating of the job class increases from the initial rating assigned by the Committee, the pay grade applicable to that rating will be effective to the date of the incumbent's appointment to the job class.

If the final rating of the job class decreases from the initial rating, the pay grade, applicable to that rating will be effective the date the J.J.E.C. completed the final evaluation.

SETTLEMENT OF DISAGREEMENTS

2.1 *In the event the J.J.E.C. is unable to reach agreement on any matter relating to the interpretation, application or administration of the Job Evaluation Program, the Co-Chairpersons of the Committee shall request, within ten (10) working days, that each party designate an Advisor to meet with the Committee. The two (2) Advisors shall meet with the Committee and assist the J.J.E.C. in reaching a decision on the factor(s) in dispute. (These Advisors shall not be involved in the day-to-day decisions of the J.J.E.C.).*

If, after meeting with the two (2) Advisors appointed as above, the Committee remains unable to agree upon the matter in dispute, the Advisors will attempt to make a decision.

If the Advisors are unable to reach a decision on the factor(s) in dispute, they shall advise the Co-Chairpersons in writing.

2.2 *Either Party may, by written notice to the other Party, refer the dispute to a single Arbitrator who shall be selected by agreement of the Parties. If the Parties are unable to agree, either party may request the Minister of Labour to appoint an Arbitrator.*

2.3 *The Arbitrator shall decide the matter upon which the J.J.E.C. has been unable to agree and his/her decision shall be final and binding on the J.J.E.C., the Employer, the Union and all affected employees. The Arbitrator shall be bound by the Maintenance Manual and the Job Evaluation Plan and shall not have the power to modify or amend any of their provisions. The jurisdiction of the Arbitrator shall be limited to the matter in dispute, as submitted by the Parties.*

2.4 *The Employer and the Union shall be the Parties to the Arbitration Hearing and shall have the right to present evidence and argument concerning the matter in dispute. The Arbitrator shall have the powers of an Arbitrator appointed pursuant to the Collective Agreement and, in addition, shall have the authority to require the Parties to present additional information and to require other persons(s) to present evidence, as deemed necessary by the Arbitrator.*

2.5 *The Arbitrator's fees and expenses shall be borne equally between the Parties.*

2.6 *The time limits contained in this article may be extended by mutual agreement of the Parties.*
