Hours Worked	% Vacation Pay
0 – 1, 040	4
more than 1,040	5

28.2

Vacations for full-time employees are earned during the current calendar year and according to the employee's starting date. Subject to Article 28.1 (f) all vacation becomes due and must be taken within the current calendar year, in a manner that meets operational requirements.

28.3

Upon termination of employment or retirement, a full-time employee shall be entitled to vacation pay earned for the period from January 1st of the current calendar year, to the date of termination or retirement, less the amount of vacation already used in that year.

28.4

If a full-time employee is absent without pay for other than medical reasons for a period of thirty (30) calendar days or longer then such employee's vacation entitlement in the year in which the unpaid absence occurs shall be reduced in proportion to the number of working days lost during such absence.

28.5

If a full-time employee is absent without pay for medical reasons for a period of one (1) calendar day or longer then such employee's vacation entitlement in the year in which the unpaid absence occurs shall be reduced in proportion to the number of working days lost during such absence.

28.6

Upon the death of a full-time employee, the Employer shall pay vacation pay earned to the date of death less the amount used in that year and less statutory deductions to the employee's estate.

28.7

A full-time employee who terminates in a calendar year after having taken vacation will be required to pay back to the Employer any amount of vacation paid in advance over and above the amount owing to such employee on the basis of service.

28.8

A full-time employee who qualifies for sick leave requiring hospitalization during vacation shall not have a deduction from vacation credits for such absence. The period of vacation so displaced shall either be added to the vacation period or be reinstated for use at a later date at a time convenient to the requirements of the Employer with the wishes of the employee given full consideration.

For the purpose of this clause, the word "hospitalization" shall be deemed to include a period of a minimum of four (4) days when the employee, although not actually admitted to hospital, is incapacitated for medical causes. Any such claimed incapacity must be substantiated by a doctor's certificate.

28.9

By January 10th, each Division shall post a list and the full-time employees shall indicate by February 1st, their vacation request for the following twelve (12) month period. The Manager/General Manager shall post the approved vacation schedule by March 1st taking into consideration both the operational needs of the Division and the wishes of the employees on the basis of seniority, subject to Article 28.2 above. The employee's vacation preference shall not be unreasonably denied.

Employees who do not book vacation by the above noted dates will have vacation requests considered on a first-come, first-serve basis and will be approved taking into consideration both the operational needs of the Division and the wishes of the employee.

On the basis of seniority as set out in Article 14.1 vacations are to be scheduled in accordance with the requirements of the Division. If two (2) or more full-time employees request the same vacation dates, and if not all requests can be accommodated, then seniority shall govern, with the most senior full-time employee in the Division having first choice.

Notwithstanding this clause, to allow employees the opportunity to take a block of time off during prime time, preference will first be given to a vacation request for a full calendar week during the period of July 1st, to August 31st, prior to those requests for a single day(s) during the same week.

RE: Attracting, Developing & Retaining Employees

I. Competitive Recruitment

In order to improve the County's ability to recruit, the employer may, upon consultation with the union and notwithstanding the related provisions of the collective agreement:

1. Recognize immediately upon hire of an external candidate relevant past experience solely for the purpose of determining eligibility for:
 - (a) Wage step within the Grade for the position provided the rate does not exceed the rate paid to any other incumbent in the same position; and/or
 - (b) Enrolment in benefit plan(s) before completion of the probationary period.

Note: Relevant past experience will not be recognized for the purpose of seniority.

2. Review relevant labour market information in comparison to the subject position and determine if a Labour Market Wage Adjustment is warranted, in accordance with Article 21.5.

II. Employee Development Plans – Applicable for internal or external candidates

When the County is unable to recruit a qualified internal/external candidate, with the minimum qualifications desired, due to a shortage of skilled applicants, the employer will repost a development plan opportunity, internally then externally, noting the revised minimum criteria. Consideration will be given under the following provisions:

1. Where a candidate meets the revised minimum qualifications and has the ability and desire to obtain the remaining criteria with minimal effort and in less than one year, the employer may make an offer of employment, conditional upon completing the requirements.

Prior to pursuing this option, the employer will notify the Union outlining the intent to make a conditional offer of employment and provide the expected timeframe during which the minimum qualification requirements are to be satisfied. The employer will consider those candidates who applied to the position and are in the bargaining unit first.

Notwithstanding the provisions of Article 21 – Wages and Salaries, the successful internal or external candidate(s) shall be paid 90% of the identified position's Start

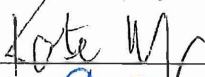

Rate, until the employee has met all minimum requirements established for the position, at which time the employee will move to start rate for the position and progress in accordance with Article 21.3.

2. Where the County is unable to recruit a candidate with most of the revised qualifications and without significant development to meet those qualifications, the employer shall consider a specific development plan for the position, in consultation with the Union.

This Letter of Understanding will automatically expire at the end of the term of the collective agreement unless renewal is specifically negotiated.

RE: Automotive Technician Apprenticeship Program

To meet the current and future needs of the organization, the employer may recruit for an automotive technician apprentice, rather than the fully licensed automotive technician position in accordance with the following:

- a. An Automotive Technician Apprentice shall enrol, or be enrolled, in an apprenticeship program to become certified as both an Automotive Service Technician ("S" License) and Truck and Coach Technician ("T" License), subject to relevant legislation and regulation.
- b. The employer may recruit for an apprentice who has not yet achieved either certification noted above or has already achieved one (1) of the two (2) County required certifications above. For clarity, it is understood that internal applicants shall be considered first for an Automotive Technician Apprenticeship.
- c. The apprentice shall have a maximum period of eighteen (18) months to successfully complete the requirements for each of the subsequently required progression steps listed in (k) below.
- d. Where it is possible to write a "challenge exam" rather than completing course material and an exam, an apprentice may be permitted to do so. However, challenge exams may be attempted one time only and if an apprentice is unsuccessful, the apprentice must enrol in the next available school session.
- e. The apprentice is required to supply their own industry standard tool box, hand tools and other equipment, as required to perform the duties as assigned.
- f. Any cost associated with the apprentice program, including but not limited to course registration/tuition, materials, tools, travel, parking and books are the responsibility of the employee. Time spent attending in-school training or for the preparation for and writing of exams shall be done outside of normal working hours or, where not possible, will be treated as a leave of absence without pay for the purpose of all wages with the exception that vacation entitlement may be used to substitute for such leaves of absence without pay.
- g. There shall be no loss of benefits with respect to those eligible for the Extended Health Care, Dental, Group Life Insurance, Group Long Term Disability Insurance or

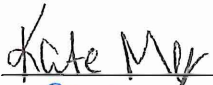

Accidental Death and Dismemberment for time spent attending in-school training or for the preparation for and writing of exams. However, in the case that an employee requires a leave of absence without pay for this purpose, the employee shall make the employee and employer contributions to OMERS if they choose to make contributions for this period of time.

- h. Access to sick leave will only be permitted during scheduled work days and not available for time spent attending in-school training.
- i. Continued enrolment in the apprenticeship program shall be dependent upon meeting the requirements of the Apprenticeship and Certification Act, 1998 as amended and all relevant regulations pursuant thereto.
- j. If the apprentice fails to meet any conditions of this agreement, the apprentice shall be required to exercise their rights under Article 16 – Layoff and Recall.
- k. Each apprentice shall progress toward the Start Rate of the Automotive Technician position as follows:

% of Start Rate	Level of Completion
75%	Licence 1 - Program Enrollment
84%	Licence 1 – First school term and exam successfully completed
88%	Licence 1 - Second school term and exam or challenge exam successfully completed
92%	Licence 1 – Third school term and exam or challenge exam successfully completed and Certificate of Qualification successfully completed
96%	Licence 2 – First school term and exam or challenge exam successfully completed
Gr 9 - Start Rate	Licence 2 – Second school term and exam or challenge exam successfully completed
Gr 9 - 12 Month Rate	Licence 2 – Third school term and exam or challenge exam successfully completed and Certificate of Qualification successfully completed

RE: Overtime – Roads Operations Division

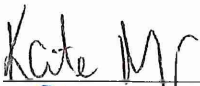

The employer and union agree on a without prejudice and precedent setting basis to the following provisions in an effort to respond to the "Hours of Service" legislation governing C.V.O.R. vehicles and "On Duty" driving limits:

1. This Letter of Understanding shall apply only to Roadway Maintenance Workers, Heavy Equipment Operators and Foreperson, Roads Operations.
2. The provisions of Article 24 – Hours of Work shall continue to apply unless otherwise amended by the terms of this Letter of Understanding.
3. A full-time employee shall be compensated for overtime, either at time and one-half (1½) or double (2) time as set out in Article 24.3, either by being paid for it or by taking lieu time off. A full-time employee who does not wish to be paid immediately for overtime earned may put such overtime in their "overtime bank".
4. A full-time employee may request payment in lieu time off for any amount of overtime in their overtime bank at any time of the year with the exception of the period between the beginning of the first pay period ending in November and the last pay period ending in April, when a full-time employee may request payment in lieu time off for any amount of overtime in their overtime bank in excess of sixteen (16) hours.
5. Payment for overtime earned will be made on the next practical pay day after payment is requested. Requests for time off in lieu of overtime pay shall be approved, based on the requirements of the Department or Division and the terms of this Letter of Understanding, at the sole discretion of the employer.
6. Payment for overtime will be at the rate at which such overtime was earned.
7. An employee who has taken in lieu time a total of one hundred and twenty (120) hours in a calendar year shall be notified of having reached this maximum and shall automatically be paid for all overtime worked thereafter in the year at premium rates on the next practical pay day. However, if an employee reaches this maximum of one hundred and twenty (120) hours, only those banked hours in excess of sixteen (16) hours are eligible for payout during the period of November 1 – April 30.

8. An employee who has overtime in their overtime bank as of the last pay period of any calendar year shall be notified and shall be paid in the following February for all hours in excess of sixteen (16) hours at the basic rate at which such overtime was earned.
9. The employer may schedule an employee on paid "lieu time off" using overtime in their overtime bank when an employee's "on duty" time eligibility is anticipated to expire or when the employer deems that the employee's "on duty" eligibility is about to breach compliance limitations. If there is not sufficient overtime in the employee's overtime bank, the employee shall be scheduled on time off without pay.
10. The decision to schedule an employee on paid "lieu time off" or on time off without pay as provided for in Point 9 above shall be at the sole discretion of the employer for the purpose of managing "on duty time eligibility" as per the Hours of Service Legislation. Such decision shall be at the sole discretion of the employer taking into consideration operational requirements such as, but not limited to, those deemed necessary to sustain the approved service levels and the current or anticipated weather forecast as well as the "on duty time eligibility" of the employee's next regular scheduled shift or shifts.
11. Overtime must be authorized by the General Manager or designate.
12. On retirement or death, the Employer shall pay accumulated overtime to either the employee or the employee's beneficiary.
13. The parties agree to meet to discuss any concerns arising from the implementation of this Letter of Understanding.
14. This Letter of Understanding shall automatically expire at the end of the collective agreement unless renewal is specifically negotiated.
